FASTENAL[®]

Plastic

Ekstrom Carlson presents the best cutting tools in the market.

In partnership with Fastenal, we offer many special carbide cutting tools as part of our catalog offering. Our tools are offered in various styles with different features including:

Single or multi-flute designs • Square, ballnose, corner radius, chamfer, or drill mills
General purpose • High performance variable helix • High helix for aluminum cutting
Roughers or finishers • Coated and uncoated

ISO 9000 Quality

Addressing various aspects of quality management and some of ISO's best known standards. The standards provide guidance and tools for companies who want to ensure that their products consistently meet customer's requirements.
